Eisenhower Leadership Patch

Cub Scouts – Character

Boy Scouts – Citizenship

WELCOME to the Eisenhower Presidential Library and Museum and to Abilene, Kansas, the boyhood home of General of the Army and President of the United States Dwight D. Eisenhower.

THE EISENHOWER LEADERSHIP PATCH is an opportunity to learn more about good character and good citizenship through the example of Dwight D. Eisenhower and the exhibits of the Eisenhower Museum, featuring artifacts, photographs, works of art, and documents that tell the story of his life.

EARN THE EISENHOWER LEADERSHIP PATCH AND ROCKERS by downloading or printing the Eisenhower Leadership Patch curriculum from the website of the Eisenhower Presidential Library and Museum, www.eisenhower.archives.gov, or you may request it at the Visitors Center and Presidential Gift Shop. You may earn the patch and complete up to two rockers per museum visit.

WHEN YOU HAVE COMPLETED YOUR MUSEUM VISIT and have read and filled out the worksheet for a character trait or citizenship trait, show the worksheet to the staff person at the Visitors Center and Presidential Gift Shop desk. You may then purchase your patch and/or rockers.

WEAR YOUR UNIFORM SHIRT as admission to the Eisenhower Museum when working on the Eisenhower Leadership Patch and Rockers.
